

Jeyco (1992) Pty Ltd Safety Policy

Jeyco is a wholly Australian owned company specialising in the supply of quality mooring and towing equipment for the offshore, commercial marine, aquaculture and fishing industries as well as being a major supplier to the military, both in Australia and overseas.

Jeyco's Safety Management System shall ensure *the safety of our people is of the highest priority and shall not be compromised.*

- ***“If it can not be done safely, it can not be done”.***
- ***Workplace shall be free of incidents and injuries.***
- ***all personnel are authorised to implement the cessation of work where it is deemed Safety may be compromised.***

Jeyco promotes a proactive safety management philosophy based on effective communication, assessment and control of hazards and the encouragement of safety. The Company shall provide such information, training and supervision, as needed for this purpose.

Jeyco shall maintain the highest standards for the Health of all its employees, and shall conduct all activities with appropriate safeguards against exposure to risks against their safety and health. To aid in achieving this objective, every person involved must realise the potential consequences of accidents and comply fully with the Safety Procedures, and applicable legislation.
