

## Anchor Joining Shackle

Jeyco offers both standard Anchor and Chain Joining shackles as well as long term mooring "LTM" options.

All dimensions are approximate

| Size (mm) | Weight (kg) | Size (mm) | Weight (kg) |
|-----------|-------------|-----------|-------------|
| 16        | 1.6         | 46        | 36          |
| 17.5      | 2.0         | 48        | 41          |
| 19        | 2.6         | 50        | 47          |
| 20.5      | 3.2         | 52        | 52.5        |
| 22        | 4.1         | 54        | 60          |
| 24        | 5.2         | 56        | 64          |
| 26        | 6.7         | 58        | 71          |
| 28        | 8.2         | 60        | 78          |
| 30        | 10          | 62        | 86          |
| 32        | 12          | 64        | 95          |
| 34        | 15          | 66        | 103         |
| 36        | 17          | 68        | 114         |
| 38        | 20          | 70        | 125         |
| 40        | 23          | 73        | 141         |
| 42        | 28          | 76        | 152         |
| 44        | 31.5        | 78        | 171         |
